## Art Palm Beach News

---

### Art Palm Beach Opens Tomorrow!

**Art Palm Beach's** fourth edition opens tomorrow at the **Palm Beach County Convention Center**. The 2026 show runs from **January 28 to February 1**, presenting modern and contemporary art from over 80 international galleries across diverse mediums.

### Tickets Available Now!

Tickets are available at [artpalmbeachshow.com](http://artpalmbeachshow.com). Purchasing in advance allows you to bypass ticket lines and head straight into the show tomorrow. Don't miss this opportunity to experience five days of programming, featured exhibitions, and the DIVERSEartPB platform showcasing seven international biennials.

### Featured Exhibitions

This year's program includes three featured exhibitions offering distinct perspectives on contemporary and modern art. From **John Knuth's** live fly painting demonstrations to **Matteo Massagrande's** architectural interiors and **Sylvester Stallone's** artistic

retrospective, these presentations highlight the range of work on view at Art Palm Beach 2026. Read on to learn more about each exhibition.

---

## **John Knuth: Renewed Resilience**

### **Presented by Hollis Taggart Downtown**

### **Booth 103**

**Hollis Taggart Downtown** presents *John Knuth: Renewed Resilience*, featuring the artist's "fly paintings" and three-dimensional globe works. Building upon his New York exhibition in May 2025, "Renewed Resilience" transforms devastation into renewal, reflecting Knuth's experience of the January 2025 Eaton Fire, which destroyed his home and archive in Altadena, California.

Knuth's luminous abstractions are created in collaboration with a million houseflies. He encages them within canvases and feeds them a mixture of acrylic paint and sugar water. Over time, their pigment regurgitations accumulate on the canvas, creating iridescent, pointillistic surfaces. At Art Palm Beach, Knuth extends his exploration into sculptural form with painted globes, created live over the duration of the fair, offering viewers a glimpse into his process.

**Matteo Massagrande**  
**Presented by Pontone Gallery**  
**Booth 615**

**Pontone Gallery** from London presents works by Italian painter **Matteo Massagrande**. Born in 1959 in Padua, Italy, Massagrande has been exhibiting since 1973, with his paintings featured in public and private collections worldwide.

Massagrande's paintings depict architectural interiors with views to exterior spaces, revealing light that articulates the subject. The works show unoccupied, decayed domestic interiors with intricate tiled floors leading to garden-like exteriors. What distinguishes these paintings is their construction: deliberate variations in perspective indicate that the works are elaborate constructs rather than simple recordings of views. They are composite images, collated to produce theatrical evocations of location and history.

# **Sylvester Stallone: Evolution**

## **Presented by Provident Fine Art**

### **Booth 405**

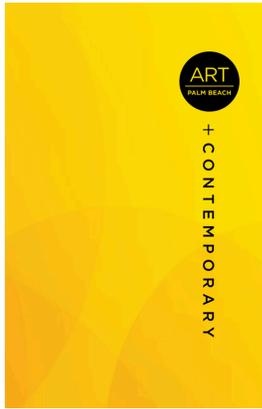

**Provident Fine Art** presents an exclusive solo exhibition of works by **Sylvester Stallone**. The retrospective showcases Stallone's artistic evolution with works from each decade starting in the 1960s. He painted surrealism early on before becoming more abstract. A longtime painter who has used art as a form of expression since his adolescence, Stallone often turned to the medium during the development of his iconic characters. This exhibition marks his first major showcase in years, with the majority of works available for purchase.
